For the safety of our campers, we run a background check every year for each volunteer. Background checks can become very costly as we have over 1,000 volunteers each year at Camp For All. We now have the option for the volunteer to choose to pay for their own background check to help Camp For All keep its expenses lower. This generous donation on the part of the volunteer will support the Camp For All mission to bring more campers to camp and assist each camper monetarily with individual camp costs. Below there are two links to complete your background check, the first link will collect \$6.50 for your background check; the second link will not charge you for the background check, please choose the option that best suits you. **Enter full organization name in the Department line**
