Your Camp Connections Start Here!

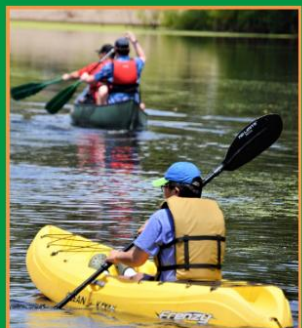

Camp For All partners with nonprofit organizations to provide life-changing Camp experiences for **children, teens, adults, and families**. Our Partners include **hospitals, schools, and national nonprofits, as well as passionate individuals and community organizations** who want to make a meaningful difference in the lives of others. Many of these camps began with someone who saw a need and was inspired to help people with challenges or special needs **connect, grow, and thrive**.

Do you know someone with a challenging illness, disability, or special need who would love Camp For All?

- Contact Camp For All at **979-289-3752** or **713-686-5666**. We'll help identify one of our **Partners** that serves campers with a specific challenge or special need.
- **You'll then directly connect with the nonprofit Partner** to learn about eligibility, registration, and camp opportunities.
- The nonprofit Partners bring the **campers, medical staff, and "in cabin" counselors**. They also **provide half of the cost for each camper to come to Camp For All**.
- **Camp For All provides the barrier-free Camp, professional staff, universal programming, and appropriate foods**. As part of our mission, we raise \$3.5 million annually **to provide the other half of the cost for each camper to come to Camp For All**.

Are you interested in starting a camp for a group with challenges or special needs?

- Contact **Allen McBride, Camp Director**, at amcbride@campforall.org or **979-289-3752 ext. 3410**. He'll help guide you through the process, including:
 - Defining **whom you want to serve** and the **type of camp** you want to offer.
 - Creating a **camp roadmap, budget, and schedule**, as well as plans for **camper registration, waiver administration, and insurance coverage**.
 - Scheduling a tour of **Camp For All Burton** or **Camp For All Chappell Hill**.
